December 9, 7-9 pm, Napa Valley Writers Presents:

***Writing Fantasy While Doomscrolling: Creativity in
Challenging Times***

https://us02web.zoom.us/webinar/register/WN_Y7NCKhBPS8iWqMVbCJ3MKg

Napa Valley Writers will host **Tina LeCount Myers**, who will speak to us on how to get our creative spark back.

Writers, has someone close to you said, “With this shelter-in-place, you must be getting a lot of writing done,” making you think to yourself, “Yeah, I should be getting a lot more writing done! But I’m not.”

Well, you are not alone. Finding your creative spirit in challenging times is tough and accessing imagination is often an uphill battle when we are bombarded daily with images and information that are routinely negative or worrying.

For fantasy writers, imagination is at the heart of the genre. So how do we keep that channel open while doomscrolling? In this session, we will talk about some of the specific opportunities and challenges unique to the genre. As well as, ways writers of all genres can revitalize their creativity.

Tina is the author of *The Song of All*, *Dreams of the Dark Sky*, and *Breath of Gods* (Books 1-3 of *The Legacy of the Heavens* series) from Night Shade Books.
